

Service in Simplicity

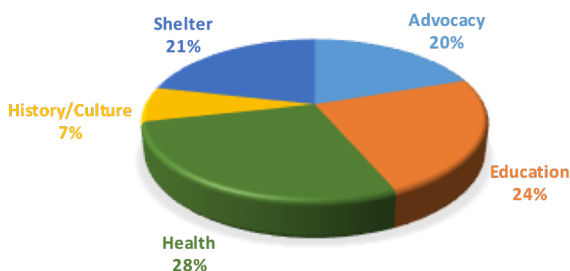

## 2015-2016 Organizations and Foundations We Partner with and Support.

AWCP celebrates the efforts of the members of the club for making it possible to continue the help we provide to local charitable organizations. This past fiscal year, our club donated to twenty-three (23) different organizations, each established and focused on alleviating the condition of the people they serve.

73% of our donation this fiscal year, March 2015 – February 2016, focused on Education, Shelter and Health related initiatives.
